N a s h v i l l e

AOCA welcomes you to Nashville, the Music City, and the 38th Annual Convention and Continuing Medical Education Program at Opryland Hotel.

Nashville is among the top metropolitan tourist destinations in the country. Three major reasons for its popularity are the Opryland USA complex, featuring America's only musical theme park and home of the legendary Grand Ole Opry. The Hermitage is the plantation home of President Andrew Jackson and is one of the three most visited presidential homes in the U.S., and the Parthenon is the world's only exact replica of the ancient Grecian Temple, exemplifying Nashville's title as the "Athens of the South".

Discover Music City and the Country Music Hall of Fame, the industry that gives Nashville a special personality. The whole world taps its toes to "The Grand Ole Opry" every Saturday night. Now housed in a \$15 million theater and production center, it draws the biggest names in the entertainment world for concerts as well as network and syndicated television shows. Share the excitement when you stand on the Opry stage, see the green room and the stars' dressing rooms, and feel the magic of the largest broadcast studio in the world.

Within minutes from the Opryland Hotel, you also have access to three major shopping malls, several discount outlet malls, and numerous antique stores of every caliber.

*at*  
**Opryland Hotel**

Enjoy the renowned Southern Hospitality of the Opryland Hotel, surrounded by the excitement of Opryland U.S.A. theme park, the traditions of the Grand Ole Opry, the charm of the General Jackson Showboat, and the glamour of Music City!

### NASHVILLE WELCOME AND TOUR FOR SPOUSES AND GUESTS

You are in for a treat when you register for the "Nashville Welcome and tour of the Parthenon and Backstage of the Grand Ole Opry" which includes luncheon following the Tour. At 9:00 a.m. we will assemble in the Cherokee Room for the "Nashville Welcome" and coffee and rolls. This one-hour program is an orientation to Nashville, designed to give you a taste of Nashville and what it has to offer. The program features facts and trivia about Opryland U.S.A., what to see and do in the Opryland Complex, specials of the week, and a short film giving an overview of the major points of interest in and around Nashville. At 10:00 a.m. we will depart from the Presidential Portico for the tour on Monday.

The Opry House Tour offers a special backstage glimpse of what has made the Opry a legend. Share the excitement of being on the Opry stage, plus learn entertaining facts which add a new dimension of fascinating history to the Grand Ole Opry and its members.

The Parthenon stands proudly as the centerpiece of Centennial Park, Nashville's premiere urban park. Originally built for Tennessee's 1897 centennial exposition, this replica of the original Parthenon in Athens, Greece, serves not only as a monument to what is considered the pinnacle of classical architecture but also is the city of Nashville's foremost art museum. Permanently housed in the Parthenon is Nashville's widely traveled Cowin collection. Composed of 63 works by 19th and 20th-century American painters. Additional gallery space supplies a venue for a variety of temporary shows and exhibits.

Arthur's, one of Nashville's finest four-star restaurant is located in the beautiful Union Station. Union Station was built in 1900 and is one of Nashville's most visible and best-loved landmarks. The heavy Victorian stonework will give way to beautiful stained glass as you enter the lobby for your luncheon in Arthur's restaurant.
